

Desktop License

This is a legally binding agreement between the purchaser ("you") and Side Characters Foundry ("us"). By installing the font listed in your order summary ("the font"), you agree to these terms.

You are buying a license to use the font, not ownership of the font itself. The font remains our property. This agreement also applies to any future font updates.

If you buy this license for a company, you must make sure they follow these rules. You are responsible for compliance.

This license is valid for 50 years from the date of purchase. It can not be transferred or reselled.

1. What You Get

You can install and use the font on up to 5 devices owned by you or your company. Freelancers count as users if they install and use the font.

You can use the font for:

- Logos, branding, and packaging
- Posters, flyers, and printed materials
- Social media graphics and marketing
- Signs and advertisements
- Non-editable PDFs and other read-only documents
- Sharing with designers or print shops only if they use it for your work and delete it after

2. What's NOT Allowed

- Sharing or reselling. You can't share, rent, or sell the font to others. Clients and freelancers must buy their own license if they want to use it.
- Modifying. You can't change the font files. Converting into other formats is also not allowed without our permission.
- Embedding. You can't use this font in websites (use a Web License instead), apps, e-books, video games, TV broadcasts, software or hardware integrations.
- Selling letterform-based products. You can't use single letters from the font to make and sell products like T-shirts, posters, tote bags; alphabet stencils, stickers, rubber stamps, cards, 3D letters and numbers.

3. If You Break the Rules

If you violate this agreement, we can terminate your license immediately and ask you to delete the font. We may also take legal action. No refunds will be given.

If you accidentally break the rules, we'll try to help you fix it—by either adjusting your usage or upgrading your license.

You can only request a refund within 30 days if the font is technically broken and we can't fix it.

4. Liability

Our fonts are sold "as is", without any guarantees. If something goes wrong, we are not responsible for any costs, damages, or losses. Our only liability is refunding your license fee.

5. Other Legal Stuff

If any part of this agreement is invalid, the rest still applies.

This license follows the laws of the Republic of Serbia.

6. Not sure?

If you need the font for apps, video games, TV, software, letterform-based products, or you think this license doesn't fit your needs and you're looking for something special, you might want a purchase a Custom license.

Feel free to email us and we'll figure it out:

Web License

This is a legally binding agreement between the purchaser ("you") and Side Characters Foundry ("us"). By installing the font listed in your order summary ("the font"), you agree to these terms.

You are buying a license to use the font, not ownership of the font itself. The font remains our property. This agreement also applies to any future font updates.

If you buy this license for a company, you must make sure they follow these rules. You are responsible for compliance.

This license is valid for 50 years from the date of purchase. It can not be transferred or reselled.

1. What You Get

You can install and use the font on one domain only, including subdomains. You will need to buy a separate Web license for each new domain.

You can use the font for:

- Embedding the font via CSS @font-face mechanism to display website content.
- Unlimited page views. We don't track or limit traffic.

2. What's NOT Allowed

- Sharing or reselling. You can't share, rent, or sell the font to others. Clients and freelancers must buy their own license if they want to use it.
- Modifying. You can't change the font files. Converting into other formats is also not allowed without our permission.
- Embedding outside of @font-face mechanism within a single domain. You can't hotlink, re-serve, or re-direct the font for use by others.
- Other embedding. You can't use this font in apps, e-books, video games, TV broadcasts, software or hardware integrations.
- Making the font available for download. Visitors of your website must not be able to extract, copy, or edit the font. You are obliged to make all possible steps to provide security against unlicensed use of or access to the font.
- Creating printed materials, signage, advertisement, logotypes, and other static images.

- Selling letterform-based products. You can't use single letters from the font to make and sell products like T-shirts, posters, tote bags; alphabet stencils, stickers, rubber stamps, cards, 3D letters and numbers.

3. If You Break the Rules

If you violate this agreement, we can terminate your license immediately and ask you to delete the font. We may also take legal action. No refunds will be given.

If you accidentally break the rules, we'll try to help you fix it—by either adjusting your usage or upgrading your license.

You can only request a refund within 30 days if the font is technically broken and we can't fix it.

4. Liability

Our fonts are sold "as is", without any guarantees. If something goes wrong, we are not responsible for any costs, damages, or losses. Our only liability is refunding your license fee.

5. Other Legal Stuff

If any part of this agreement is invalid, the rest still applies.

This license follows the laws of the Republic of Serbia.

6. Not sure?

If you need the font for apps, video games, TV, software, letterform-based products, or you think this license doesn't fit your needs and you're looking for something special, you might want a purchase a Custom license.

Trial License

This is a legally binding agreement between the purchaser (“you”) and Side Characters Foundry (“us”). By installing the font listed in your order summary (“the font”), you agree to these terms.

You are buying a license to use the font, not ownership of the font itself. The font remains our property. This agreement also applies to any future font updates.

If you buy this license for a company, you must make sure they follow these rules. You are responsible for compliance.

This license is perpetual, but we can revoke it if the terms are violated.

1. What You Get

You can use this license to evaluate the font before deciding to buy any full license.

You can use the font for:

- Non-commercial and educational purposes only in outline or rasterized image form (non-editable, no extraction possible).
- Embed the font in an in-development app or game for internal testing only (team use, non-public).
- Use in pitches for work that is not yet secured.

2. What's NOT Allowed

- Commercial use. You can't use the font in any paid or revenue-generating project.
- Embedding in websites, apps, or games beyond internal testing.
- Embedding outside of @font-face mechanism within a single domain. You can't hotlink, re-serve, or re-direct the font for use by others.
- Modifying, reselling, or sharing. You can't distribute the font to others.
- Making the font available for download or extraction in any form.

If you want to use the font for commercial work, you must purchase a proper license.

3. If You Break the Rules

If you violate this agreement, we can terminate your license immediately and ask you to delete the font. We may also take legal action. No refunds will be given.

If you accidentally break the rules, we'll try to help you fix it—by either adjusting your usage or upgrading your license.

You can only request a refund within 30 days if the font is technically broken and we can't fix it.

4. Liability

Our fonts are sold “as is”, without any guarantees. If something goes wrong, we are not responsible for any costs, damages, or losses. Our only liability is refunding your license fee.

5. Other Legal Stuff

If any part of this agreement is invalid, the rest still applies.

The font may contain watermarks to help prevent misuse.

This license follows the laws of the Republic of Serbia.

6. Buying a commercial license

If you decide to use the font commercially, or need it for websites, apps, games, print, or branding, you must buy a Desktop, Web or Custom License.

Feel free to email us and we'll figure it out:
